AXOR

We are Sykes Interiors. A bathroom and kitchen design studio redefining everyday living with practical and unique designs as individual as you.

Embracing innovative design and inspired creation, Sykes Interiors is at the forefront of exceptional bathroom and kitchen solutions. Our family-led business has a passion for mirroring the unique individuality of each of our customers, showcasing highly personalised and truly breath-taking designs.

We pride ourselves on quality assurance, and a dedicated commitment to our customers. With over 30 years' experience in the business, we are devoted to delivering the highest quality design, supply, and installation services, in tandem with guaranteeing the utmost client satisfaction.

Taking inspiration from a wealth of sources, Sykes Interiors reflects the beauty of nature, the admiration of architecture and the expression of art throughout all of our designs. Listening to the preferences of each individual customer, an exclusive, carefully developed design brief is tailored to match your every need.

Promising to make the planning process as simple as possible, Sykes Interiors provides the desirable benefit of dealing with one supplier. When envisioning kitchen and bathroom designs the simplicity of working with a single provider affords a smooth and effortless design procedure.
